College of the Menominee Announces 11th Annual Benefit Golf Outing

KESHENA, Wis. – The College of the Menominee Nation (CMN) is pleased to announce registration is now open for its 11th Annual College Benefit Golf Outing, scheduled for Friday, September 16, at the Thornberry Creek at Oneida golf course. The proceeds provide scholarships and other student aid.

CMN's President Christopher Caldwell hopes to draw alumni, donors, and golf enthusiasts to enjoy one of the best and most scenic courses in the Green Bay area.

"This is our premier fundraising event," says Caldwell. "People come from across the country to network with our alumni, enjoy the beautiful scenery, and play the outstanding courses. It is an extraordinary event that supports our mission to prepare American Indian students for leadership, careers, and advance studies in a multicultural world."

The benefit golf outing kicks off the college's 30th-anniversary celebrations that will also recognize the 50th anniversary of the Menominee Restoration Act that restored the Menominee Indian Tribe's status as a federally recognized Tribe.

Register online at www.menominee.edu/golf-2022. For sponsorship, donations, and other questions, email golf@menominee.edu or call (715) 799-6226, ext. 3053.
